## Veterinary Certificate For Horses

232 Hooker Avenue Poughkeepsie, NY 12603

Phone: 800-836-3046 | Fax: 845-625-1577 equineinfo@marshallsterling.com

**INSTRUCTIONS TO VETERINARIAN:** It is required in every case that each horse shall be examined outside the stall and that it should be made to move about to demonstrate soundness of limbs and freedom of action. Horses having vicious habits, that have suffered recurrent attacks of colic or bleeding, that have had tuberculosis or that have been previously nerved, are not insurable. Careful observation and enquiry should be made as to housing conditions and the presence of contagious or infectious disease.
