Dear Ms. Cruz:

On behalf of the Food Bank of the Hudson Valley, I would like to thank everyone at your office for their causal dress collection donation of \$150.00 to the Food Bank. This donation will help the Food Bank to operate its 55,000 square foot warehouse and feed the hungry in our communities. *A \$1 donation will help to provide 4 meals to a person in need.*

The unsettling financial climate affecting our economy has caused difficulties for more of our neighbors. Many are suffering due to job losses, home foreclosures, and rising food costs. *In 2012, the Food Bank distributed over 10 million pounds of food in the Hudson Valley area.*

The Food Bank of the Hudson Valley serves more than 400 feeding programs in six counties – Orange, Dutchess, Putnam, Rockland, Ulster and Sullivan. The feeding programs that the Food Bank distributes food to are food pantries, soup kitchens, emergency shelters, day care centers, senior programs, rehabilitation programs, and programs for the disabled.

Again, thank you for your support. It is much appreciated. *Happy Holidays!*

Sincerely,

Antonetta C. Gutter  
Director of Development

Dear St. Jude friends,

We are grateful you chose to support St. Jude Children's Research Hospital with your fundraiser at work. Your donations totaling \$150.00 help provide lifesaving research and world-class care to children suffering from cancer and other catastrophic diseases.

Your support means the world to the children and families here at St. Jude. Your dedication helps to ensure no family ever receives a bill from St. Jude for treatment, travel, housing, or food – because all a family should worry about is helping their child live.

Fundraising at work is easy to implement and the effects can be far-reaching. By partnering with St. Jude, your company will enhance its employee engagement and help foster employee morale, all while helping kids who are facing the battle of their lives.

The mission of our founder Danny Thomas is simple - no child should die in the dawn of life. We look forward to our partnership with you, as we work together to make that mission a reality. It is our goal to provide support and ensure your fundraisers at work are a success. Please let us know if we can be of any assistance with your St. Jude employee engagement programs.

Many thanks,  
Your St. Jude at Work Team
