Dear Friends,

Rhetta Eason
Secretary

It is so heartening when a donor makes it possible for us to say "yes" to one more child, family or deserving adult who needs the services of the Sullivan County Federation for the Homeless. I wanted to take a moment to personally thank you for your recent donation of \$395.00 to our organization.

You are making a difference in the lives of those we serve here at the Federation. More people than ever need the strength and comfort of the Federation's important services. Your gift helps provide food and housing services, a safe place to come in from the cold and so much more. Because of your support, the Federation continues to open the door to deserving people experiencing financial hardship. Your donation will be used wisely to provide education, goods and services to children and adults so they can work toward breaking the cycles of poverty that cause them to be homeless and hungry. Thank you.

Program Administrator

We look forward to sharing the program's successes with all of you. In the meantime, if you would like to schedule a visit to see, firsthand, the difference your gift is making, please contact me at (845) 794-2604.

Warmest regards,
